<b>Floorcare</b>		
<b>EZ Strip</b> Rinse Free Stripper		
A fast acting rinse-free stripper that leaves no film or residue and is ideal for sensitive floors (i.e. linoleum).	Use for deep cleaning and surface stripping of waxes, polishes and sealers prior to recoating.	4x5 Lt.
<b>EZ Strip Plus</b> Powerful Floor Stripper		
An aggressive, effective stripper with a high alkaline / high active content.	Use for the removal of repeatedly burnished polishes from resilient flooring (vinyl, vinyl composition, marble, terrazzo and concrete).	4x5 Lt.
<b>Terminator</b> Professional Strength Floor Stripper		
A powerful stripper formulated to cut through heavy finish build-up, fast. It's low-foam formula is ideal for use with automatic scrubber-driers.	Use for the removal of heavy build-up of floor polish from resilient flooring (vinyl, vinyl composition, marble, terrazzo and concrete). Terminator is a fast acting aggressive formulation and should only be used by knowledgeable operators.	4x5 Lt.
<b>Cotarseal</b> Semi Permanent Seal		
Semi-permanent base coat that penetrates, levels and protects porous floors such as concrete, marble, terrazzo and other porous stone floors. Its also suitable for older resilient flooring that has been subject to multi-stripping or improper maintenance. It will not yellow or discolour with age.	Use in preparing porous floors for finishing, and for older resilient floors prior to recoating with polish. Acrylic Undercoat Sealer will seal against water, stains and soiling.	4x5 Lt.
<b>Base</b> Removable Floor Seal		
A removable base that seals porous terrazzo, stone and concrete floors to enhance the appearance and effectiveness of floor polish.	Use to prepare porous floors before applying finish.	4x5 Lt.
<b>Prima</b> Wood Floor Seal		
A fast-drying primer seal, suitable for use on all new or newly-sanded wooden floors, prior to the application of floor coating.	Use to prepare wood floors before applying finish.	4x5 Lt.
<b>Polaris Gloss</b> Urethane Wood Floor Finish		
Polaris is a premium wood floor coating with an all-urethane formulation, giving it outstanding durability, scuff protection and slip-resistance. The low-VOC eco-friendly formula protects and enhances wood floors, and the long life of the coating can be further extended by regular maintenance.	This finish is ideally applied to floors sealed with PRIMA, or previously finished and prepared floors.	4x5 Lt. 4x4 Lt.
<b>Polaris Satin</b> Urethane Wood Floor Finish		
As above, with Satin Finish	As above	4x5 Lt. 4x4 Lt.
<b>Focus</b> Low Maintenance Floor Finish		
An incredibly tough floor polish that is ideal for fast dry, fast cure, low maintenance situations. It's high performance acrylic polymers and tight cross-linking produce a long lasting shine that is resistant to black marking and scuffing. Focus is suitable for non buff, spray-buff and high-speed floor care systems.	Use on resilient floors such as vinyl, rubber and linoleum, and on terrazzo, concrete, slate, marble, unglazed ceramic and quarry tile floors. Focus is particularly suitable for low maintenance / reduced labour settings such as hospital walkways, schools, offices and retail / supermarket stores etc., where high gloss without burnishing is required.	4x5 Lt. 4x4 Lt.

Description	Application	Pack
<b>Focus Satin</b> Low Maintenance Floor Finish		
As above, with Satin Finish	As above	4x5 Lt.
<b>Omega</b> Urethane Fortified Floor Finish		
A premium water-based polyurethane floor finish with superior gloss. The gloss finish is both durable and easy to repair. Omega is formulated to give a non-yellowing, tough, mark resistant film with fast drying and recoating times. Suitable for non-buff, spray-buff, high and ultra high speed burnishing floor care systems.	Use on resilient floors such as vinyl, rubber and linoleum, and on terrazzo, concrete, slate, marble, unglazed ceramic and quarry tile floors. Omega's durability / repairability make it the ideal product for use in both institutional and commercial premises, particularly where 'traffic hot spots' occur.	4x5 Lt. 4x4 Lt.
<b>Astral</b> High Gloss Floor Finish		
A very tough dry-bright floor polish formulated to retain a high gloss, scuff and mark-free appearance, with little or no maintenance. Astral is suitable for non-buff, spray-buff and high speed floor care systems.	Use on resilient floors such as vinyl, rubber and linoleum, and on terrazzo, concrete, slate, marble, unglazed ceramic and quarry tile floors. Astral is ideal for use in low maintenance situations, i.e. schools, offices, retail / supermarket stores etc., where high gloss without burnishing is required.	4x5 Lt.
<b>Vectra</b> Acrylic Emulsion Floor Finish		
This incredibly tough 25% solids floor polish is ideal for low maintenance situations. It's high performance acrylic polymers produce a durable, long lasting shine that resists black marking and scuffing.	Use on resilient floors such as vinyl, rubber and linoleum, and on terrazzo, concrete, slate, marble, unglazed ceramic and quarry tile floors. Vectra is excellent for high-speed burnishing.	4x5 Lt.
<b>Citrashine</b> Floor Cleaner and Restorer		
Formulated with natural citrus solvents to deep clean, removing heel and scuff marks. Also aids in the buffing process to remove scratches and dull spots,. Citrashine contains no wax or polymers, thereby eliminating restorer build-up.	Used for cleaning and restoring on all floor finishes. Can be used with mop & bucket, scrubber driers, or spray and buff systems. When used as part of a floor maintenance programme, Citrashine can significantly extend the period between recoating.	4x5 Lt.
<b>Equaliser</b> Rinse Free Neutral Cleaner		
An excellent product for cleaning all floors. It is pH neutral and dries to leave a film-free surface. Suitable for use with either wet mopping or scrubber-driers, and can be used in hard and soft water areas as the formulation is precipitate free.	Use for the routine cleaning of floors, and for cleaning following stripping, prior to the application of polish or seal. Equaliser contains no perfume or butyl cellosolve and therefore can be used on floors in food processing / handling areas.	4x5 Lt.
<b>Puma</b> Heavy Duty No-Rinse Cleaner		
A free-rinsing, non-dulling, low foam all purpose cleaner. Suitable for use with either wet mopping or scrubber driers, and can be used in both hard and soft water areas.	Use for cleaning heavily soiled finished floors such as linoleum, rubber, asphalt, synthetic, vinyl, terrazzo and sealed wood. Can also be used to clean any washable surface.	4x5 Lt.
<b>Nutech</b> Low Foam Scrubber-Drier Detergent		
Low foam scrubber-drier detergent for medium to heavy soiling areas. It is formulated specifically for use in vacuum recovery systems where it's low foam and high soil suspension properties ensure cost effective cleaning.	Use for all scrubber-drier machine cleaning applications. It is ideal for large areas, i.e. warehouse floors as it's rapid grease cutting ensures that only one pass of the machine is normally required. The non-perfumed formulation will not cause tainting in food production / handling areas.	4x5 Lt. 25 Lt.

Description	Application	Pack
<b>Catering</b>		
<b>Duo</b> Hard Surface Sanitising Detergent		
A powerful cleaner sanitizer which is effective against a wide range of harmful bacteria including salmonella, pseudomonas, E-Coli & staphylococcus. It's non-tainting formula is safe for use on all washable hard surfaces including food contact surfaces.	Use for cleaning and sanitising work surfaces, floors and walls in kitchens, catering establishments and food production / handling areas as part of a regular cleaning programme.	4x5 Lt. 25 Lt. 6x750ml
<b>Anti-Bac Multidet</b> Bactericidal Hand Dishwash		
A powerful washing up liquid formulated to give long lasting foam, together with anti-bacterial agents.	Used for cleaning and sanitising cutlery, crockery and glassware in hand washing-up operations. Can also be used as a general cleaner/sanitiser on all washable hard surfaces.	4x5 Lt.
<b>Multi-Det</b> Hand Dishwash Detergent		
A high active detergent formulated to quickly cut and emulsify grease and soiling while remaining gentle on the hands.	Used for hand washing of cutlery, crockery and glassware. Can also be used as a general cleaner on all washable hard surfaces.	4x5 Lt. 25 Lt. 12x1 Lt.
<b>Emerald</b> Premium Quality Dishwash Detergent		
A concentrated manual dishwash detergent formulated for rapid penetration, emulsification and dispersion of grease and soiling. Emerald also contains special skin softening agents that help to protect the hands.	Used for hand washing of cutlery, crockery and glassware. Emerald is also suitable as a general cleaner on all washable hard surfaces.	4x5 Lt.
<b>Beer Pump and Line Cleaner</b> Cleaner &		
A completely odourless and taint-free cleaner / steriliser suitable for both traditional hand pumps and pressurised dispensing equipment. Formulated to rapidly break down yeast and protein deposits.	Used for cleaning and sanitising beer lines, tanks and dispensing equipment.	4x5 Lt.
<b>Safe Klene Plus Food Grade</b> HS		
A concentrated multi-purpose bactericidal cleaner and degreaser developed to remove fat and heavily ingrained soiling from floors, walls, equipment and washable hard surfaces. The sanitising properties have been fully tested and show proven effectiveness against both Gram +ve and Gram -ve bacteria. Safe Klene is non-perfumed and non-tainting and is therefore ideal for use on all food preparation, handling and serving surfaces.	Use for cleaning and sanitising surfaces that are covered with grease and ingrained soiling. Particularly suitable for use on kitchen surfaces, walls, floors and equipment (cooker hoods, filters, deep fat fryers, oven externals, etc).	4x5 Lt. 25 Lt.
<b>Force HW</b> High Active Liquid Machine Dishwash		
Liquid machine dishwash detergent formulated to work in both hard and soft water areas. The high sequestrant level helps to prevent scale formation.	Used with automatic dosing equipment or manual feed to clean cutlery, crockery, glassware etc. in all machine dishwash operations.	4x5 Lt. 10 Lt. 25 Lt.
<b>Glisten Auto</b> Beer Glass Detergent for Enclosed		
Specially formulated for use in enclosed glasswash cabinets. It's powerful non-tainting action removes stubborn soiling (lipstick, tomato juice, etc.) leaving glasses sparkling and streak-free.	Use in all enclosed glasswash machines, referring to manufacturers instructions as required.	4x5 Lt. 10 Lt. 25 Lt.

Description	Application	Pack
<b>Image Plus</b> Fast-Dry Machine Dishwash Rinse Aid		
Image is a rinse aid formulated for injecting into the final rinse water of dish & glass washing machines to reduce surface tension of the water and promote the rapid drying of crockery, glassware, etc. without blooming, spotting or streaking.	Use with automatic dosing equipment and preferably in conjunction with FORCE HW and/or GLISTEN AUTO.	4x5 Lt. 10 Lt. 25 Lt.
<b>Lift Off Plus</b> Oven Cleaner Gel		
Highly aggressive oven cleaner gel formulated to remove baked-on grease and carbon. The thickened gel clings to vertical surfaces ensuring maximum contact time for improved cleaning. Lift Off Plus has a low non-tainting odour. (Not suitable for use on aluminium and galvanised surfaces).	Use on ovens, grills, griddles, etc. for the removal of baked-on grease, fat, and carbon. Can be used on warm or cold equipment.	4x5 Lt. 6x750ml 10 Lt.
<b>Vega Descaler</b> Heavy Duty Acid Descaler		
A combination of organic acids and surfactant formulated to remove limescale and other hard water deposits from dish washers, pan washers, bainmaries and other catering equipment including kettles, coffee machines, etc.	Use for removing limescale and other hard water deposits from catering equipment. Can also be used in other areas where limescale build-up causes operational problems.	4x5 Lt. 25 Lt. 200Lt.
<b>Re-Zolv</b> Heavy Duty Degreaser		
A concentrated multi-purpose degreaser developed to remove oil, fat and heavily ingrained soiling from floors, walls, equipment and washable surfaces. Re-Zolv emulsifies shortenings, oils and fats enabling surfaces to be rinsed clean. Re-Zolv is odourless and taint-free, and is suitable for use on aluminium and galvanised surfaces.	Use for cleaning surfaces that are covered with grease and ingrained soiling. Particularly suitable for use on kitchen surfaces, walls, floors and equipment (cooker hoods, filters, deep fat fryers, oven externals, etc.).	4x5 Lt. 25 Lt.
<b>Kitch 'N' Clean</b> Ready-To-Use Kitchen Cleaner		
A ready-to-use bactericidal cleaner and degreaser, developed for use on all washable hard surfaces. The bactericidal properties show proven effectiveness against Gram +ve and Gram -ve bacteria. Kitch 'n' Clean is non-perfumed / non-tainting and is therefore ideal for use on all food preparation, handling and serving surfaces.	Use for cleaning and sanitising surfaces that are greasy and soiled. Particularly suitable for use in catering for cleaning tables, trays, serving counters, food preparation surfaces, freezers and chillers.	6x750ml
<b>Combi Clean</b> Combi Oven & Steamer Cleaner		
Combi Clean is a high active cleaning agent for the rapid breakdown of greases and soiling in combi steamer ovens. Fast acting and fully biodegradable, Combi Clean is used in the automatic machine cleaning cycle.	For use in combi-ovens. Apply as per machine manufacturers' instructions.	10 Lt.
<b>Combi Rinse</b> Combi Oven Steamer Rinse Aid		
Combi rinse is a high performance rinse additive used in combi steamer ovens at the end of the automated wash cycle.	Use in conjunction with COMBI CLEAN, as per machine instructions.	10 Lt.

<b>Housekeeping</b>		
<b>Cit-Rush D-limonene Based Spray &amp; Wipe Cleaner</b>		
Formulated with natural orange essences to give an incredible spray & wipe power that is safe for use on all water washable surfaces, including aluminium. Ready-to-use Trigger Spray.	Use for the rapid removal of grease and soiling from a wide variety of surfaces. Can be used in kitchens, but not on food preparation surfaces unless rinsed thoroughly prior to use.	4x5 Lt. 6x750ml
<b>Eco-Clean Hard Surface Cleaner</b>		
A highly effective orange based degreaser and cleaner that is fully biodegradable and ecologically friendly	Use to remove grease, fat, gum and general soiling from any surface including carpets and aluminium alloys. Eco Clean is very efficient when used to clean aluminium grills etc. via a dip tank.	4x5 Lt. 25 Lt.
<b>Flite Washroom Hygiene Cleaner</b>		
The complete washroom cleaner - cleans, descales, sanitises and deodorises in one operation. Flite can be used via a trigger spray, mop & bucket or pressure washer. It's rich active foam clings to surfaces, lifting heavy soiling / scaling to leave surfaces clean and hygienic.	Used as a total cleaning product for all types of washrooms, toilets, shower stalls, etc.	4x5 Lt. 6x750ml
<b>Spray &amp; Wipe with Bleach Hard Surface Cleaner</b>		
A powerful ready-to-use cleaner formulated for use in both the kitchen and housekeeping environments. Spray & Wipe with Bleach rapidly removes mildew / mould stains, grease and general soiling from all non-porous surfaces and is also effective against all bacteria.	Use to clean and sanitise all hard surfaces in a simple spray on / wipe off operation.	6x750ml
<b>Lime Fresh Lime Fragrance Disinfectant</b>		
General purpose QAP30 disinfectant that complies to BS6424.	Use on all hard surfaces to disinfect. Allow adequate contact time prior to rinsing. Remove heavy soiling prior to use.	4x5 Lt.
<b>Rip-Tide Blue Foaming Restroom &amp; Shower Cleaner</b>		
A unique blend of organic / inorganic acids and detergents formulated for use through a foam gun. The rich foam clings to all surfaces to remove body fats, hard water deposits and soiling with little or no manual scrubbing.	Use for deep cleaning showers and restroom / washroom walls, floors, fixtures and fittings.	4x5 Lt.
<b>Misty Blue Toilet Cleaner &amp; Descaler</b>		
Powerful phosphoric acid based formulation for removing limescale, iron deposits and organic soiling. Thickened formulation ensures maximum contact time for efficient cleaning. Safe for use on porcelain, stainless steel and plastic surfaces.	Use for regular cleaning of toilet bowls and urinals.	4x5 Lt. 12x1 Lt.
<b>Purple Haze Daily Use Toilet Cleaner</b>		
Pleasantly fragranced sulphamic acid based toilet cleaner, specially formulated for daily use. It's high viscosity ensures longer contact time, giving a thorough cleaning action. Safe for use on porcelain, plastic, stainless steel and chrome surfaces.	Use daily on toilet bowls and urinals. Agitation with a toilet brush will assist on heavily soiled items.	6x750ml

Description	Application	Pack
<b>Industrial</b>		
<b>Meteor Hard Surface Cleaner</b>		
Heavy duty formula that rapidly cuts through grease, grime and dirt build-up. Meteor is a low foaming product which reduces rinse time.	Use through all factories, garages etc. for cleaning heavily soiled / greased floors, walls, machinery and washable hard surfaces. Can be used manually, or through a pressure washer or scrubber-drier system. Not suitable for use on aluminium or galvanised surfaces.	4x5 Lt. 25 Lt. 208 Lt.
<b>Cit-Rush Heavy Duty D'Limonene Degreaser</b>		
Formulated to cut through heavy grease, oil, soot, tar and soil on all water-washable surfaces. Cit-Rush does not contain butyl, harsh alkalies, phosphates or petroleum distillates and is non-corrosive to aluminium.	Use for deep cleaning on heavily soiled areas such as walls, floors, etc. Also use for degreasing / cleaning on industrial plant and equipment. Can be used through a pressure washer or in a dip tank system, and is particularly recommended for use on aluminium oven / cookware.	4x5 Lt.
<b>Supra Heavy Duty Cleaner &amp; Degreaser</b>		
A rapid acting organic solvent / water based detergent for difficult cleaning jobs where grease is a major constituent of the soiling. Supra chemically penetrates, reacts with and suspends soiling in solution for easy rinsing.	Use to remove greasy soiling from all floors, walls and washable hard surfaces. Can also be used in a wide variety of industrial plant and equipment cleaning operations, especially where grease / oil removal is required. Can be used via mop, brush or spray followed by thorough rinsing.	4x5 Lt.
<b>AC Quat Rinse Disinfectant - Deodoriser - Sanitiser</b>		
Phosphate free disinfectant sanitiser that is used as a terminal rinse following a general cleaning process. AC Quat Rinse can be used on all washable hard surfaces and is applicable across a range of industries where sanitised surfaces are essential.	Use as a terminal rinse to sanitise surfaces previously cleaned. Particularly suitable for use in restroom / showers as a final rinse following deep cleaning. Also suitable for food processing / handling surfaces, plant and equipment following regular cleaning, and in hospitals / nursing homes. Surfaces should be allowed to air-dry following	4x5 Lt. 25 Lt.
<b>Liquid Defoamer Silicone Defoamer</b>		
Specially formulated to control foam in cleaning machine recovery tanks, effluent treatment tanks, pumps and pipelines and any application where foaming is undesirable.	Liquid Defoamer is added to recovery tanks and hoses of cleaning machines, drip fed into effluent systems and applied as necessary into pump and pipeline systems.	4x5 Lt.
<b>Micra Drain Line &amp; Grease Trap Treatment</b>		
Micra is formulated from four strains of enzyme-producing bacteria that degrade and digest waste found in drains, grease traps and septic tank systems. Micra also has built-in odour eliminators to ensure that drains and traps remain fresh.	Used by either manual dosing or automatic injection directly into the drains and / or traps. Use to rectify problems and as part of a routine maintenance programme.	4x5 Lt. 208 Lt.
