## Dishwashing Machine Products

### 61400 - Force Dishwash Detergent

- A high active concentrated liquid detergent for use in automatic dishwashing machines.
- Provides outstanding cleaning and economy in use.
- Suitable for both hard and soft water areas.
- Helps maintain the efficiency of the machines by preventing limescale formation.
- Leaves glasses, utensils and crockery sparkling clean and water spot free.
- Use in conjunction with Anglian Image Plus.

**Available in: 4x5L / 10L / 20L**

### 61500 - Image Plus Rinse Aid

- A fast drying machine rinse aid for use in all types of dishwashing machines.
- A low foaming product that eliminates spotting and decreases drying time without streaking or blooming.
- Provides outstanding cleaning and economy in use.
- Suitable for both hard and soft water areas.
- Use in conjunction with Anglian Force HW and Glisten Auto.

**Available in: 4x5L / 10L / 20L**

### 61420 - Glisten Auto Glass Wash Detergent

- A specially formulated glass wash detergent for use in enclosed machines.
- Can also be used as a pre-soak to help remove stubborn stains.
- The powerful non tainting, non foaming formulation rapidly removes stubborn stains to leave glasses sparkling clean and streak free.
- Removes tannins, lipstick, bacteria and food stains with ease.
- Suitable for both hard and soft water areas.
- Use in conjunction with Anglian Image Plus.

**Available in: 4x5L / 10L / 20L**

### 61800 - Vega Descaler

- A heavy duty catering descaler that is a non fuming, fast acting combination of organic acids and surfactants.
- Safely removes and cleans limescale and other hard water deposits.
- Safe for use on aluminium and stainless steel.
- Ideal for catering and sanitary ware (dishwashers, kettles, sinks, drinks machines etc) or anywhere that scaling causes operational issues.

**Available in: 12x1L / 4x5L / 20L**

### 10006 - Lance Descaling Crystals

- Sulphuric Acid descaling crystals for the catering environment.
- Ideal for use on boilers, tea urns, coffee makers, dishwashers, drinks machines and washing machines etc.
- Completely stable in dry conditions as the organic acid is only activated in water.

**Available in: 1kg Powder**

### 15200 - Machine Dishwash Powder

- A highly concentrated machine dishwash powder for light commercial dishwashing machines.
- Use in conjunction with Image Plus Rinse Aid for excellent sparkling clean and streak free results.
- Suitable for both hard and soft water areas.

**Available in: 10kg Tub**

### 15201 - Crockery & Utensil Destainer

- Crockery & Utensil Destainer is a fast acting compound, manufactured to remove discolouration and heavy soiling from plastic and china crockery in a single use.
- Harmless to crockery and easy to use.
- Suitable for both hard and soft water areas.

**Available in: 10kg Tub**

## Kitchen Cleaners and Degreasers

### 61307 - Rapide concentrate

- BSEN 1276 certified solution with a required contact time of only 30 seconds.
- A sanitiser cleaner and degreaser that has been developed for use on all water washable surfaces
- Rinse-free, non-perfumed and non-tainting.
- Ideal food plant and preparation product.
- Extremely economical in use at 55:1 for heavy duty cleaning and sanitising.

**Available in 4x5L / 20L**

### 61307D - Rapide RTU

- Handy ready to use formula.
- BSEN 1276 certified solution with a required contact time of only 30 seconds.
- A sanitiser cleaner and degreaser that has been developed for use on all water washable surfaces
- Rinse free, non perfumed and non-tainting.
- Ideal food plant and preparation product.

**Available in 6x750ml / 6x1L -**

### 61300 - Safe Klene Plus

- A food plant cleaner, degreaser and sanitiser that is certified to BSEN 1276.
- Designed to disperse and dissolve heavily ingrained fats, grease and shortenings.
- Non tainting and non perfumed making it ideal for use in food processing industries.
- The complete kitchen solution.

**Available in 4x5L / 20L**

### 61300D - Kitch 'N' Klene

- Kitch'n'Klean is non tainting and non perfumed and certified to BSEN 1276.
- An Odourless and taintless bactericidal degreaser and cleaner.
- Ideal for work in the food processing industries.
- For use on all washable hard surfaces, perfect for food preparation area sanitisation.

**Available in 6x750ml - Ready to use**

### 61360 - Lift Off Plus Gel Concentrate

- Lift Off Plus is a highly aggressive oven cleaner gel formulated to remove baked on deposits and carbon from ovens and grills.
- Thickened gel clings to vertical surfaces ensuring maximum contact time for improved cleaning performance.
- Can be used effectively on hot or cold equipment.
- A low odour, non tainting product.

**Available in 4x5L / 20L**

### 61360 - Lift Off Plus Foam

- Lift Off Plus Foam is a highly aggressive oven cleaner formulated to remove baked on deposits and carbon from ovens and grills.
- Foaming formula that is ready to use and produces a dense foam to cling to vertical surfaces ensuring maximum contact time for improved cleaning performance.
- Can be used effectively on hot or cold equipment.
- A low odour, non tainting product.

**Available in 6x750ml**

### 61361 - Combi Clean

- A premium grade detergent formulated for combination ovens for use through their intergrated oven cleaning systems.
- Dosed automatically during the cleaning programme.
- Works efficiently to remove tough food deposits, grease, oils and residues.

**Available in 4x5L / 10L / 20L**

### 61501 - Combi Rinse

- A premium grade concentrated rinse aid for combination ovens.
- Dosed automatically during the cleaning programme.
- It neutralises any cleaning detergent residues and ensures an effective rinse process.
- Greatly reduces future scaling problems and water marking if used regularly.

**Available in 4x5L / 10L / 20L**

# Catering Hygiene

## Kitchen Cleaners and Degreasers

### 61370 - Fat Solve

- A highly effective food and beverage industry cleaner formulated to rapidly remove and breakdown oils, fats, vegetable and mineral based soil residues.
- Multiple uses within food processing environments (floors, fat friers, work surfaces etc).
- Safe to use on aluminium, stainless steel, plastic and rubber.
- Extremely economical in use.

**Available in: 4x5L / 20L**

### 61315 - Re-zolv

- A concentrated all purpose detergent degreaser developed to remove fat, oil organic matter and heavily ingrained soiling from kitchen surfaces, walls, equipment and washable surfaces.
- Odourless and non tainting, perfect for use in food processing areas.
- Contains no caustics or acids, yet removes soiling with ease with no excessive rinsing required.

**Available in: 4x5L / 20L**

### 61100 - Beer pump & Line Cleaner

- A completely odourless and taint-free cleaner and sanitiser.
- Suitable for both traditional hand pumps and pressurised dispensing equipment.
- Formulated to rapidly break down yeasts and proteins.
- Purple colour for chemical recognition throughout the cleaning process.

**Available in: 4x5L**

### 13075 - Lemon Cream Cleaner

- A high quality non-scratch scouring cream.
- Rapid cleaner and polisher of all stainless steel, chrome, aluminium, laminates and enamel.
- Undyed and unperfumed for safety in kitchen areas.
- Pleasant Lemon fragrance.
- Vitreous Enamel foundation tested and approved.

**Available in: 12x500ml**

## Washing Up Liquids

### 61212 - Emerald

- A 25% active, super concentrated, multi-purpose dishwashing detergent.
- Produces rich, long lasting suds that cut through heavy food grease and grime with ease.
- Includes rinse aids and additives to leave crockery and glassware sparkling clean and streak free.
- Contains skin softening agents.
- Traditional fragrance.

**Available in: 12x1L / 4x5L / 20L**

### 61210 - Anti-Bacterial Multi Det

- A highly concentrated mild dishwash detergent that produces long lasting foam.
- Contains antibacterial agents to clean and sanitise cutlery, crockery and glassware.
- Leaves crockery and glassware sparkling clean and streak free.
- Contains skin softening agents.
- Traditional fragrance.

**Available in: 12x1L / 4x5L / 20L**

## Washing Up Liquids

### 61211 - Multi Det Plus

- A highly concentrated manual dishwash detergent with a pleasant fragrance that produces rich, long lasting suds.
- Formulated for the rapid penetration, emulsification and dispersion of heavy grease and soiling.
- Contains rinse aids and additives to leave crockery and glassware sparkling clean and streak free.
- Special skin softening ingredients reduce irritation and dryness to the hands.

**Available in: 12x1L / 4x5L / 20L**

### 13012 - Lemon Washing up Liquid

- A highly concentrated manual dishwash detergent with a fresh lemon fragrance, that produces rich, long lasting suds.
- Formulated for the rapid penetration, emulsification and dispersion of heavy grease and soiling.
- Contains rinse aids and additives to leave crockery and glassware sparkling clean and streak free.
- Special skin softening ingredients reduce irritation and dryness to the hands.

**Available in: 12x1L / 4x5L / 20L**

### 61216 - Unidet Plus

- An economy manual washing up liquid formulated to quickly cut and emulsify grease.
- Leaves crockery and glassware sparkling clean and streak free.
- Contains additives for spot free rinsing.
- Special skin softening ingredients reduce irritation and dryness to the hands.

**Available in: 12x1L / 4x5L / 20L**

## Drain & Odour Maintenance

### 65100 - Micra - Enzymatic Drain Cleaner

- A powerful blend of specially selected enzymes and micro-organisms.
- Efficiently and safely degrade sticky, greasy waste that is evacuated into drainage systems and causes blockages.
- Micra improves flow rates and prevents odour problems in drains, grease traps, septic systems and sewage treatment facilities.
- Regular use establishes bacterial colonies that work continually.
- Contains no harsh chemicals.

**Available in: 4x5L**

### 13051 - OSR 21

- Formulated with a strong pear drop fragrance to be extremely economical in the eradication and neutralisation of offensive odours.
- Food grade ingredients mean safe use and low toxicity and will not impair enzymes, drains or settling tanks.
- Safe and effective for use in nursing homes to eliminate odours from geriatric and incontinent patients when fogged into the air, sprayed at source of odours or drip fed.

**Available in: 4x5L / 20L / 200L**

### 26007 - Torpedo Drain Cleaner

- Torpedo is an inhibited sulphuric acid based product designed to quickly clear blockages in drains caused by grease, hair, soap, sanitary towels and other organic substances.
- Ideal for use across all industries where drain blockages are common.
- For professional use only.

**Available in: 6x2.5L**

# Catering Hygiene

## Drain & Odour Maintenance

### 61306 - Biocidal Odour Control Fluid

- Formulated with strong fragrances and biocides for the eradication and neutralisation of offensive odour whilst at the same time sanitising to restore hygienic conditions.
- Sanitises, controls and freshens refuse tips and chutes, dust bins, sewage farms and offal treatment dumps.
- Safe and effective for use in nursing homes to eliminate odours from geriatric and incontinent patients when fogged into the air, sprayed at source of odours or drip fed.

**Available in: 4x5L / 20L / 200L**

### 65101 - Odour Digestant

- A concentrated odour digestant and stain remover which contains special strains of enzyme producing bacteria which digest, degrade and eliminate malodours.
- A universal product which contains no harsh chemicals and is great on carpets, upholstery and hard surfaces.
- Deals with uric scale and urine odours, pet odours, spoiled food odours, mould, mildew and other organic soils.

**Available in: 4x5L**

## Industrial Food Processing

### 61374 - Chlorinated Foam Cleaner

- Formulated for general purpose cleaning, de-staining, degreasing and sanitising in the food, beverage and dairy industries.
- Free-rinsing and suitable for use in hard water areas.
- Chlorinated Foam Cleaner can be used for the cleaning of floors, walls, cutting tables, conveyors and other food processing equipment.
- Extremely effective in the meat and poultry processing industries.

**Available in: 4x5L / 20L**

### 61372 - Alkali Foam Cleaner

- A high performance food processing cleaner suitable for the removal of fat, grease and heavy soiling from most surfaces found in food processing facilities, abattoirs, meat cutting plants and poultry processing units.
- It is free-rinsing and suitable for use in hard water areas.

**Available in: 4x5L / 20L / 200L**

### 61378 - Foaming Acid Cleaner

- A non fuming, fast acting organic acid dissolves and breaks up calcium, magnesium, rust and other hard water deposits.
- Can be used on pipes, drains, urinals, dishwashing machines and steel etc.

**Available in: 4x5L / 20L**

### 63173 - C.I.P Cleaner

- A non-caustic low foam concentrated liquid.
- CIP cleaner is an alkaline fully built liquid detergent for use in machine washing racks, trays and baskets etc.

**Available in: 12x1L / 4x5L / 20L**

### 61380 - Anglisan Active

- A highly effective oxidising disinfectant based on peracetic acid for use in the food, beverage and dairy industries.
- Non foaming and free rinsing.
- Highly effective against all types of micro organisms including bacteria, yeast, fungi, spores and viruses.
- It also has excellent deodourising and stain removal properties.

**Available in: 4x5L / 20L**

### 61381 - Angliwash HD

- A low foaming, rinse-free, mildly alkaline liquid detergent for use in the food and beverage industry.
- Performs in both hard and soft water areas.
- Suitable for washing kegs, casks, plastic trays, crates and containers.
- Inhibits scale build up and is very effective at removing a wide range of organic and inorganic soiling

**Available in: 4x5L / 20L**

# Floor & Carpet Care

# Floor & Carpet Care

## Floor Polishes & Seals

### 60380 - Focus Floor Finish Polish

- A incredibly tough floor polish that is ideal for fast dry, low maintenance situations.
- It's high performance acrylic polymers and tight cross-linking produce a beautiful, long lasting shine that resists black marking and scuffing.
- A non-yellowing cross-linked polymer film which will not discolour even the lightest of floors.
- The deep shine that is produced also has excellent slip resistance due to formula additions.
- For use on resilient floors, For use with non-buff and high speed systems.

**Available in: 4x5L / 20L**

### 60370 - Polaris Wood Coating

- A premium wood floor coating with an all-urethane formulation, giving it outstanding durability, scuff protection and slip resistance.
- The low-VOC Eco-friendly formula protects and enhances wood floors, a deep shine is produced and the long life of the coating can be further extended by regular maintenance.

**Available in: 4x5L / 20L**

### 60390 - Omega Urethane Finish

- A premium water based urethane floor finish with superior gloss.
- The gloss finish is both durable and easy to repair.
- Formulated to give a non-yellowing, tough, mark resistant film with fast drying and recoating times.
- Protects and prolongs the life of flooring.
- For use on resilient floors.

**Available in: 4x5L / 20L**

### 60330 - Vectra Floor Polish

- An incredibly tough 25% solids floor polish is ideal for low maintenance situations.
- High performance acrylic polymers produce a durable, long lasting shine that resists black marking and scuffing.
- Excellent when combined with a high speed burnisher.
- For use on resilient floors

**Available in: 4x5L / 20L**

### 60360 - Coterseal Semi Permanent Seal

- A Semi-permanent base coat that penetrates, levels and protects porous floors such as concrete, marble, terrazzo and other porous stone floors.
- Suitable for older resilient flooring that has been subject to multi-stripping or improper maintenance.
- It will not yellow or discolour with age.
- Use to prepare porous floors for finishing, and for older resilient floors prior to recoating with polish.

**Available in: 4x5L / 20L**

### 60355 - Prima Wood Floor Seal

- Prima is a fast drying primer seal, suitable for use on all new or newly-sanded wooden floors, prior to the application of floor coatings.
- Use to prepare wood floors before applying finish.

**Available in: 4x5L / 20L**

### 13060 - Base Coat Seal

- An acrylic base coat seal lays down a non-yellowing polymer film and will not discolour even the lightest of floors.
- This product can be easily removed after application.
- Penetrates and seals porous floors, providing an ideal base for emulsion application and polishes.
- For use on all linoleum, PVC, rubber, terrazzo and thermoplastic floors.

**Available in: 4x5L / 20L**

## Floor Strippers

### 60100 - EZ Strip Rinse Free

- A rinse-free stripper which will save up to 50% labour time throughout the stripping process and dries without leaving a film or residue.
- Modern alternative to traditional caustic strippers, it will deep clean and surface strip prior to recoating with ease.
- The advanced soil suspension system and low foaming formula mean quick and easy recovery pickup.
- Ideal for use on sensitive floors to remove waxes, polishes and sealers.

**Available in: 4x5L**

### 60120 - Terminator Professional

- A powerful stripper formulated to unlock metalised polishes and aged or heavily built up finishes quickly.
- Low foam formula is ideal for use with automatic scrubber-driers and pickup units.

**Available in: 4x5L**

## Floor Cleaners & Maintainers

### 60200 - Equaliser Neutral Rinse Free

- An excellent product for the routine cleaning of all floors.
- This product is extremely safe in use, it is pH neutral and can therefore be used in confidence.
- Requires no rinsing after use as it dries to leave a film-free surface, which is both convenient and labour reducing.
- Contains no perfume or butyl cellosolve, so it can be used in food processing areas.
- Suitable for use with either wet mopping or scrubber driers.
- Can be used in hard and soft water areas as the formula is precipitate free.

**Available in: 4x5L / 20L**

### 60250 - Pine Floor Gel

- Ideal for the regular cleaning and maintenance of linoleum, PVC, rubber, sealed cork, sealed wood and thermoplastic floors.
- An ideal damp mopping solution for all surfaces as well as being an economical maintenance for polished floors, will not remove or dull polish at the recommended dilution.
- Perfect for spray cleaning, removes dirt and heel marks with ease.
- Leaves behind a pleasant Pine fragrance.

**Available in: 4x5L / 20L**

### 60202 - Citrus Equaliser Neutral Rinse Free

- Has all the same cleaning abilities as Anglian **Equaliser** but comes with a fresh citrus fragrance.

**Available in: 4x5L / 20L**

### 60251 - Lemon Floor Gel

- Has all the same cleaning abilities as Anglian **Pine Floor Gel** but comes with a fresh Lemon fragrance.

**Available in: 4x5L / 20L**

### 60210 - Citrashine Restorer

- Formulated with natural citrus solvents to provide a deep clean, removing heel and scuff marks as well as aiding in the buffing process to remove scratches and dull spots.
- Contains no wax or polymers, thereby eliminating restorer build-up.
- Can significantly extend the period between recoating.
- Can be used for cleaning and restoring on all floor finishes, application methods include mop and bucket, scrubber driers or spray and buff systems.

**Available in: 4x5L / 20L**

# Floor & Carpet Care

## Floor Cleaners & Maintainers

### 60240 - Nutech Scrubber Drier Detergent

- A super strength formulation which removes even the toughest grease and grime.
- Low foaming and specially designed for machines and scrubber driers.
- Unperfumed and will not taint in food storage areas.
- Ideal for cleaning large warehouses due to it's rapid grease removal.
- Suitable for all heavy duty scrubber machines and for general scrub applications.

**Available in: 4x5L / 20L**

### 68004 - Floor Maintainer

- Floor Maintainer has a neutral pH and will not harm or blush emulsion polish films.
- Used for cleaning and maintaining polished floor surfaces leaving a clean shine.
- Suitable for use in scrubber driers or mop and bucket systems.
- It is a clear bright blue, free flowing liquid, with a refreshing mint fragrance.

**Available in: 4x5L / 20L**

### 68002 - Buffable Floor Maintainer

- A unique blend of detergents and waxes to assist in the maintenance of polished floors without any build up over time.
- Will readily emulsify soil on all types of floor and will leave tiny residue of synthetic wax which, when dry, should be machine burnished to an extremely high gloss.
- Buffable Floor Maintainer is an opaque blue liquid with a refreshing floral fragrance.

**Available in: 4x5L / 20L**

## Carpet Cleaning

### 60801 - Carpet Extraction Cleaner

- A specially formulated woolsafe cleaner suitable for woven and non-woven carpets of synthetic and natural fibres when used in conjunction with a hot water extraction machine.
- Also safe and effective for the cleaning of upholstery fabrics especially car seats.
- Contains a special 'brightening' ingredient and produces low foam for ease of pick up.
- Extremely economical at 80:1 dilution rate.

**Available in: 4x5L**

### 13034 - Carpet Prespotter

- Professional multi-purpose traffic lane cleaner, prespray and spotter for use on carpets.
- Excellent for draught marks, greasy areas, oils, chewing gum and heavy staining.
- Apply by sprayer before machine cleaning.

**Available in: 6x750ml**

### 65101 - Odour Digestant

- A concentrated odour digestant and stain remover which contains special strains of enzyme producing bacteria which digest, degrade and eliminate malodours.
- A universal product that contains no harsh chemicals and is great on carpets, upholstery and hard surfaces.
- Capable of dealing with pet odours, spoiled food odours, mould, mildew and other organic soils.

**Available in: 4x5L / 20L**

### 13139 - Carpet Spot & Stain Remover

- Removes spots and stains from carpets and upholstery.
- Simple to use, spray onto affected area and allow time for the solution to penetrate the stained area.
- Absorb the stain by simply blotting with paper or extract by using a machine.
- Effective on most food based stains, blood, urine, coffee, make up etc.

**Available in: 6x750ml**

### 60802 - Stainguard Treatment

- High quality professional carpet protector with market leading fluoropolymers and stain block additives that help to prevent soiling and staining.
- Excellent protection from water or oil based spillages.

**Available in: 6x750ml / 4x5L**

# Washroom Hygiene

# Washroom Hygiene

## Washroom Cleaners

### 62210 - Flite Concentrate

- A highly concentrated complete washroom cleaner with a "soilguard" that leaves surfaces sparkling clean combined with added resistance to water marking and scum.
- It cleans, descales, sanitises and deodorises in one operation, leaving a fresh, hygienic environment.
- Rich parma-violet fragranced foam clings to surfaces, lifting heavy soiling and scale.
- Can be used across the entire washroom, even mirrors will be sparkling clean and streak-free.

**Available in: 4x5L / 20L**

### 62210 - Flite RTU

- Handy ready to use formula.
- A complete washroom cleaner with a "soilguard" that leaves surfaces sparkling clean combined with added resistance to water marking and scum.
- It cleans, descales, sanitises and deodorises in one operation, leaving a fresh, hygienic environment.
- Rich parma-violet fragranced foam clings to surfaces, lifting heavy soiling and scale.
- Can be used across the entire washroom, even mirrors will be sparkling clean and streak-free.

**Available in: 6x750ml Ready to use**

### 61302 - WipeOut Ultimate Disinfectant

- An extremely versatile product that combines efficient cleaning and degreasing with a wide spectrum of activity as a virucide, bactericide, fungicide and deodorant.
- When used at the recommended dilution it will remove a wide range of soilage including body fats and oils, which may harbour germs representing a potential health hazard.
- Manufacturers data complies with EN1276, EN1650, EN13623, EN14476

**Available in: 6x750ml / 4x5L / 20L**

## Toilet Cleaners & Descalers

### 61304D - Eliminator Washroom Descaler

- Eliminator is a ready to use powerful descaler for the regular descaling of washroom tops and surfaces.
- Removes limescale from shower heads, sinks, wash basins, toilet bowls and bathroom tiles.

**Available in: 6x750ml**

### 62300 - Misty Blue Toilet Descaler

- A powerful phosphoric acid based toilet cleaner and descaler.
- Special thickened cleaning formulation and wetting agents that ensure full coverage and maximum contact time.
- Safe for use on stainless steel, chrome, plastics and enameled surfaces.
- The advanced formula dissolves organics and scale, sanitises and leaves behind a pleasant fresh fragrance.
- Can be diluted and used as an all-round washroom cleaner.

**Available in: 12x1L / 4x5L**

### 68025 - Peach Power Toilet Cleaner

- Innovative technology toilet cleaner and descaler that has many benefits outside its effective performance.
- 4 times more effective than Phosphoric Acid on limescale.
- 10 times more effective than Citric Acid on limescale.
- All this but classed as non-irritant and non-corrosive providing user and transport benefits.

**Available in: 12x1L / 4x5L**

- A powerful Phosphoric Acid based toilet cleaner with a pleasant peach odour that removes limescale and organic deposits to leave toilets, urinals and sanitary ware clean and fresh.
- Safe for use on stainless steel and ideal for descaling sinks, chrome taps and draining boards.
- The viscous formula clings and aids the descaling action, dissolving organics and scale without brushing due to being more effective than strong acids or bleaches.
- Can be diluted and used as an all-round washroom cleaner.

**Available in: 12x1L / 4x5L**

## Toilet Cleaners & Descalers

### 62301 - Fresh Neutral Toilet Cleaner

- Fresh neutral is an apple fragranced, high viscosity, clear green, neutral PH, deodourising toilet and washroom cleaner.
- Contains no harsh acid or alkalis and may be used in confidence on most surfaces.
- The strong cleaning action kills malodours and bacteria whilst being fully biodegradable, neutral and safe to use.
- Ideal for cleaning toilets, urinals, glass, vinyl, plastics, stainless steel, enamel, marble, terrazzo and quarry tiles.
- Can be diluted and used as an all-round washroom cleaner.

**Available in: 12x1L / 4x5L**

### 68023 - Little John Neutral Toilet Cleaner

- Little John is a lavender fragranced medium viscosity clear green, neutral PH deodourising toilet cleaner and washroom cleaner.
- Contains no harsh acids or alkalis and may be used in confidence on most surfaces.
- The strong cleaning action kills malodours and bacteria whilst being fully biodegradable, neutral and safe to use.
- Ideal for cleaning toilets, urinals, glass, vinyl, plastics, stainless steel, enamel, marble, terrazzo and quarry tiles.
- Can be diluted and used as an all-round washroom cleaner.

**Available in: 12x1L / 4x5L**

### 62325 - Purple Haze Sulphamic Toilet Cleaner

- A daily use Sulphamic Acid based toilet cleaner and urinal bowl cleaning solution with a pleasant freshening fragrance to eliminate stale odours.
- Rapidly removes limescale, dirt, body fats and soap scum from showers, washrooms, washbasins, toilets and urinals.
- Safe to use on stainless steel and vitreous fixtures, porcelain, chrome and ceramics.

**Available in: 12x1L / 4x5L**

### 13362 - Daily Apple Toilet Cleaner

- An economy thick blue apple fragranced toilet cleaner.
- Kills malodours and bacteria whilst dissolving limescale build up.
- Ideal for the daily cleaning of toilets, urinals, drains, shower trays and even the kitchen sink.

**Available in: 12x1L / 4x5L**

### 68014 - Double Descale

- A very strong Hydrochloric and Phosphoric Acid descaler which has been formulated for the rapid removal of stubborn heavy limescale deposits.
- It has been produced in a viscous state to cling to inclined surfaces to increase contact time and descaling action.
- Delightful floral pine fragrance.

**Available in: 12x1L / 4x5L**

### 41011 - Citrus Channel Blocks

- Non-PDCB urinal blocks with a citrus fragrance.
- Water soluble and less environmentally damaging.
- Maintains clean, odour free urinal traps and pipes.
- Helps control limescale.

**Available in: 3kg Tubs**

## Bulk Fill Soap

### 13320 - Pink Pearlised Hand & Shower Soap

- A mild and gentle hand soap that produces a rich, deep cleansing lather.
- It has a vibrant colour and pleasant floral fragrance.
- Mild enough for daily use yet strong enough to remove grease and grime from the dirtiest of hands.
- Suitable for all skin types, this product can also be used as an all over body shampoo.
- PH neutral.

**Available in: 4x5L**

### 13322 - Ivory Luxury Hand & Shower Soap

- A pearlised Ivory liquid hand soap with a light, pleasant fragrance that is mild and gentle but produces a rich, deep cleansing lather.
- Mild enough for daily use yet strong enough to remove grease and grime from the dirtiest of hands.
- Suitable for all skin types. This product can also be used as an all over body shampoo.
- PH neutral.

**Available in: 6x500ml / 4x5L**

# Washroom Hygiene

## Bulk Fill Hand Soaps

### 13328 - Fresh Apple Hand & Shower Soap

- A mild and gentle hand soap that produces a rich, deep cleansing lather.
- It has a vibrant colour and refreshing fresh apple fragrance.
- Mild enough for daily use yet strong enough to remove grease and grime from the dirtiest of hands.
- Suitable for all skin types, this product can also be used as an all over body shampoo.
- PH neutral.

**Available in: 6x500ml 4x5L**

### 13318 - Peach Pearl Hand & Shower Soap

- A peach pearlescent liquid hand soap with a fresh peach fragrance that is mild and gentle but produces a rich, deep cleansing lather.
- Mild enough for daily use yet strong enough to remove grease and grime from the dirtiest of hands.
- Suitable for all skin types. This product can also be used as an all over body shampoo.
- PH neutral.

**Available in: 4x5L**

### 13325 - Bactericidal Ivory Hand Soap

- A pearlescent ivory liquid hand soap with a light pleasant fragrance that is mild and gentle but produces a rich, deep cleansing lather.
- Contains effective bactericides to restore hands to a hygienic state.
- Mild enough for daily use yet strong enough to remove grease and grime from the dirtiest of hands.
- Suitable for all skin types.
- PH neutral.

**Available in: 6x500ml 4x5L**

### 13317 - Foaming Hand Soap

- New and improved formulation with a light pleasant fragrance that produces a concentrated pH Neutral foam and therefore is mild and gentle but produces a rich, deep cleansing lather.
- Mild enough for daily use yet strong enough to remove grease and grime from the dirtiest of hands.
- Suitable for all skin types.
- PH neutral.

**Available in: 4x5L**

## Luxury Hand Soap & Moisturiser

### 13329P - Elysium - Honey & Cocoa

- A refreshing luxury hand soap that is both mild and free rinsing and suitable for frequent use.
- A heavenly Honey & Cocoa fragrance to enhance your washing experience.
- Produces a rich, deep irresistible lather.
- Ideal for use in washrooms, hotels and luxury spas.

**Available in: 6x500ml**

### 13331P - Elysium - Lime & Mandarin

- A refreshing luxury hand soap that is both mild and free rinsing and suitable for frequent use.
- Fresh and fruity Lime & Mandarin fragrance to enhance your washing experience.
- Produces a rich, deep irresistible lather.
- Ideal for use in washrooms, hotels and luxury spas.

**Available in: 6x500ml**

### 13332P - Elysium Moisturiser

- A non tainting moisturiser that relieves sore, chapped skin.
- Contains natural emollients and conditioner to keep skin smooth and supple.
- Prevents drying skin irritation and dermatitis.
- Leaves hands smelling of luxurious Honey & Cocoa.

**Available in: 6x500ml**

# Hard Surface Cleaners

# Hard Surface Cleaners

## Hard Surface Cleaners

### 61350 - Eco Clean Citrus

- A highly effective natural orange essence based degreaser and cleaner.
- Ecologically friendly and fully biodegradable.
- Removes grease, fat, chewing gum, oil, tar, inks, wax, and general soiling from any surface including terrazzo, carpets, linoleum, paint, plastics and all metals.
- Very efficient when used to clean aluminium grills etc via a dip tank.

**Available in: 4x5L / 20L / 200L**

### 61302 - WipeOut Ultimate Disinfectant

- An extremely versatile product that combines efficient cleaning and degreasing with a wide spectrum of activity as a virucide, bactericide, fungicide and deodorant.
- When used at the recommended dilution it will remove a wide range of soilage including body fats and oils, which may harbour germs representing a potential health hazard.
- Manufacturers Data complies with EN1276, EN1650, EN13623, EN14476

**Available in: 6x750ml / 4x5L / 20L**

### 68021 - Brentex All Purpose

- A low viscosity, clear blue liquid with a lemon fragrance designed for use as a universal hard surface cleaner.
- Highly concentrated and therefore extremely economical in use.
- Makes the heaviest cleaning of jobs seem effortless as oil and grease emulsify on contact.
- Non-volatile, non-flammable, freeze/thaw stable, low foaming and fully biodegradable product,
- Can be used in hard and soft water areas.

**Available in: 4x5L**

### 62801 - Spray Cleaner RTU

- A powerful spray and wipe cleaner formulated to cut through soiling and grease quickly.
- Safe for use on all washable hard surfaces such as kitchen counters and cabinets, sinks, tiles, tables and floors.
- Extremely good on paintwork and UPVC.
- Pleasant fragrance.

**Available in: 6x750ml**

## Industrial

### 61310 - Meteor

- Heavy duty hard surface cleaner that rapidly cuts through grease, grime and dirt build up and even stripping polish or wax from floors.
- Ideal for use across all industries for a wide range of cleaning applications.
- The low foaming formulation reduces labour time due to no excess lather rinsing, and also makes it ideal for use with pressure washers, scrubber driers and pickups.

**Available in: 4x5L / 20L / 200L**

### 61320 - Supra

- A rapid acting organic detergent for difficult cleaning jobs where grease, grime, soap scum, oil, dirt, sludge and other films need to be effectively removed from a variety of surfaces.
- Can also be used in a wide variety of industrial plant equipment cleaning operations where grease or oil removal is required.
- Easy rinsing from all floors, walls and washable surfaces.

**Available in: 4x5L / 20L / 200L**

# Disinfectants & Bleaches

# Disinfectants & Bleaches

## Disinfectant Cleaners / Sanitisers

### 61304 - Duo Detergent Sanitiser

- A truly universal and powerful cleaner sanitiser which is certified to BS EN 1276.
- Unique blend of quaternary ammonium compounds and amphoteric surfactants has excellent gram +ve and -ve bacteria killing and cleaning power.
- Deals with the toughest of soiling, oils, fats, vegetable and mineral based residues.
- Ideal for use across all sectors, where effective sanitisation and cleaning are required.
- Suitable for all washable surfaces.

**Available in: 6x750ml - Ready to use**  
**Available in: 4x5L / 20L - Concentrate**

### 61302 - WipeOut Ultimate Disinfectant

- An extremely versatile product that combines efficient cleaning and degreasing with a wide spectrum of activity as a virucide, bactericide, fungicide and deodorant.
- When used at the recommended dilution it will remove a wide range of soilage including body fats and oils, which may harbour germs representing a potential health hazard.
- Manufacturers Data complies with EN1276, EN1650, EN13623, EN14476

**Available in: 6x750ml - Ready to use**  
**Available in: 4x5L / 20L - Concentrate**

### 62220 - Lime Fresh Disinfectant

- A general purpose, lime fragranced disinfectant
- Suitable for all areas including food preparation areas.
- Contains a quaternary ammonium bactericide which conforms to BS6471 Grade QAP 30.
- Lime Fresh penetrates and disperses soils enabling effective disinfection.

**Available in: 12x1L / 4x5L / 20L**

### 26005 - Strong Green Pine Disinfectant

- A general purpose disinfectant with a clean smelling pine disinfectant, effective against a range of pathogenic organisms which is safe and non-tainting.
- Contains a quaternary ammonium bactericide which conforms to BS6424 Grade QAP 30.
- Ideal for the general disinfection of floors, lavatories and walls in schools, nursing homes, offices, vets, medical centres and factories etc.

**Available in: 4x5L / 20L**

### 61307 - Rapide

- BSEN 1276 certified with a contact time of only 30 seconds.
- A sanitiser cleaner and degreaser that has been developed for use on all water washable surfaces
- Rinse free, non perfumed and non-tainting.
- Ideal food plant and preparation product.

**Available in 6x750ml - Ready to use**  
**Available in 4x5L / 20L - Concentrated**

### 61200 - AC Quat Rinse

- A phosphate free disinfectant sanitiser that is used as a terminal rinse following a general cleaning process.
- Can be used on all washable hard surfaces and is applicable across a range of industries where sanitised surfaces are essential.
- Suitable for use in restroom/showers as a final rinse following deep cleaning.
- Also suitable for food processing/handling surfaces, plant and equipment following the regular cleaning, and in hospitals/nursing homes.

**Available in: 4x5L / 20L**

### 26000 - 5 % Bleach

- A traditional liquid bleach for sanitisation, germ kill, stain removal and eradication of malodours at source.
- Recommended for use neat for the disinfection and cleaning of drains and toilets.
- Economical in use when diluted at 80:1 for general disinfection and cleaning of floors etc.

**Available in: 4x5L**

### 26003 - 10% Bleach

- Bleach Plus is produced with a 10% available chlorine solution, this extra strong bleach can be diluted heavily and therefore is economical in use or used neat for extra thorough jobs.
- Recommended for use neat for the disinfection and cleaning of drains and toilets.
- Economical in use when diluted at 100:1 for general disinfection and cleaning of floors etc.

**Available in: 4x5L**

### 26004 - Thick Bleach 5%

- A thickened 5% liquid bleach which contains added detergents for improved cleaning, and extra cling to improve contact time.
- Recommended for use neat for the disinfection and cleaning of drains and toilets.
- Economical in use when diluted at 80:1 for general disinfection and cleaning of floors etc.

**Available in: 12x1L / 4x5L**

# Housekeeping

# Housekeeping

## Furniture Polish

### 13131 - Select Furniture Polish

- A silicone based cherry almond fragranced furniture polish.
- It builds a deep gloss on all furniture, tiles, marble, stainless steel, plastics and vinyl coated material.
- Anti-static formula that removes finger marks, dust, surface dirt and smudges but also resists dust re-deposition after cleaning.

**Available in: 6x750ml / 4x5L**

### 13136 - The Bees Antique Polish

- The Bees restores a deep, radiant shine to quality and antique furniture.
- The traditional beeswax formulation is uncompromisingly protecting, for long lasting, enriched wood.
- Designed specifically for use on quality wood and antique furniture, leather bound furniture, wood veneers, display cabinets etc.

**Available in: 6x750ml / 4x5L**

### 13000 - Reflect

- A silicone based lavender fragranced aerosol which builds a deep gloss on all furniture, tiles, marble, stainless steel, plastics and vinyl coated material.
- Anti-static formula that removes finger marks, dust, surface dirt and smudges but also resists dust re-deposition after cleaning.
- Ozone friendly and chlorofluorocarbon free.

**Available in: 12x480ml aerosols**

## Glass & Window Cleaners

### 62502 - Shear Glass & Mirror Cleaner

- Advanced technology produces a spray-with-ling liquid gel.
- Clings to surfaces allowing the user plenty of time to push the product around the surface leaving behind a sparkling streak-free finish.
- Anti-static and antimicrobial barrier forms on the surface meaning that redeposition of dirt, grease etc is greatly reduced as is the formation of bacteria or micro-organisms.
- 50% less product is required.

**Available in: 6x750ml / 4x5L**

### 62500 - Krystal Klear

- Rapidly removes film, dust, fingerprints and greasy soil from windows, mirrors, chrome, stainless steel, windshields and mirrors.
- Non abrasive and ammonia free, designed to give a sparkling and streak free finish.
- Safe to use in kitchen areas.

**Available in: 6x750ml / 4x5L**

### 62510 - Glass & Multi Surface Cleaner

- Ideal for glass, stainless steel and all washable hard surfaces.
- Easily removes film, dust, fingerprints and greasy soil with an Ammonia free formulation.
- Dries fast without streaks leaving behind clean and shining surfaces.

**Available in: 6x750ml / 4x5L**

## Air Fresheners

- 62805 - Deo Spray (Fresh Linen) Room Spray**
- 62809 - Deo Spray (Citrus Zest) Room Spray**
- 62810 - Deo Spray (Cranberry) Room Spray**

- A powerful concentrated odour counteractant.
- Contains a high perfume content, leaving a long lasting fragrance.
- Ideal for use in hotel rooms, bars, hospitals, care homes and washrooms.
- Deals with odours at the source.
- Make a great addition to solution tanks of cleaning machines

**Available in: 6x750ml / 4x5L / 20L**

### 13145 - Cranberry Air & Fabric Freshener

- Delivers the ultimate in high discharge odour neutralising power.
- Provides a fruity, long lasting cranberry fragrance.
- The advanced dry formula allows use as a fabric freshener also.

**Available in: 6x750ml**

## Laundry

### 13605 - Liquid Laundry Detergent

- Universal high active, highly concentrated, low foaming laundry liquid detergent for use in automatic or standard washing machines and hand washing.
- Suitable for use on all fabrics at all temperatures in all water conditions with excellent results.
- Formulated to remove heavy stains and odours.
- Use in conjunction with Liquid Fabric Conditioner

**Available in: 4x5L / 10L / 20L**

### 13606 - Liquid Fabric Conditioner

- A liquid conditioner with added fibre protectors that provides comfort and softness to all fabrics.
- Contains a high active blend of fabric conditioners and pleasant fragrance in an aqueous base.
- Use in conjunction with Liquid Laundry Detergent in either automatic, manual machines or by hand
- Combined, the two products work synergistically to enhance the appearance, texture and fragrance of fabrics, whilst reducing creasing and thus ironing time.

**Available in: 4x5L / 10L / 20L**

### 13608 - Liquid Laundry Destainer

- A liquid destaining additive with bactericidal and destaining properties for heavily ingrained fabrics.
- Designed to penetrate and break down stains allowing simple removal during the main washing cycle.
- Ideal for use across heavy industry, nursing homes, hospitals, hotels etc.
- Suitable for use in both hard and soft water areas.

**Available in: 4x5L / 10L / 20L**

### 13609 - Liquid Laundry Emulsifier

- Specially formulated for effective general use in removal of fats and grease.
- Used in conjunction with main wash laundry detergents as an aid to emulsification and suspension of oily/greasy or proteinaceous soiling on all fabrics.
- Suitable for use in both hard and soft water areas.

**Available in: 4x5L / 10L / 20L**

### 13607LD - Laundry Prespotter

- Formulated to effortlessly penetrate and remove problem spots and stains prior to the normal wash cycle.
- Will remove heavy soiling including blood, grease, oil, chocolate, lipstick and food stains from clothes, bedding and fabrics.
- Simply spray affected area, allow to penetrate and agitate with a cloth or brush before normal wash cycle.

**Available in: 6x750ml - Ready to use**  
**Available in: 4x5L / 20L - Concentrate**

### 15314 - Bio Powder

- Bio powder is suitable for use in all automatic washing machines.
- It's special formulation means much less powder is needed than when using domestic powders, an extremely powerful and cost effective product.
- Ideal for use in healthcare establishments, hotels and schools using automatic washing machines.
- Suitable for use in both hard and soft water areas.

**Available in: 10kg Tubs**

### 15304 - Non-Bio Powder

- Non-Bio powder is suitable for use in all automatic washing machines.
- It's special formulation means much less powder is needed than when using domestic powders, an extremely powerful and cost effective product.
- Ideal for use in healthcare establishments, hotels and schools using automatic washing machines.
- Suitable for use in both hard and soft water areas.

**Available in: 10kg Tubs**

# Vehicle Cleaning

# Vehicle Cleaning

## Vehicle Cleaning Chemicals

### 17000 - The Dogs TFR

- A premium quality, non-aggressive, non caustic highly concentrated traffic film remover.
- This highly built formulation includes polymeric rinse aids to enhance the finish of the vehicle after washing.
- Suitable for use by pre-spray or high pressure application with hot or cold water.
- For vehicle exteriors, engine compartments, livery signage and safe for use on aluminium.
- Very economical at dilution rates as low as 0.3%.

**Available in: 4x5L / 20L / 200L / 1000L**

### 64101 - Pressure Wash TFR

- Concentrated, non caustic, non-aggressive TFR for use on vehicle exteriors, engine compartments, wheel arches, door jambs and sills.
- Suitable for use by either pre-spray or high pressure washers with hot or cold water.
- Extremely economical in use.
- Safe to use on all car exterior components.

**Available in: 4x5L / 20L / 200L / 1000L**

### 64099 - Economy TFR

- Formulated to rapidly dissolve and lift traffic film, dirt and grime from all types of paint finish.
- Suitable for use by pre-spray or high pressure application with hot or cold water.
- Extremely economical in use.
- Safe to use on all car exterior components.

**Available in: 4x5L / 20L / 200L / 1000L**

### 64105 - Auto Wash 'n' Wax Shampoo

- A fast and effective, wash and rinse only advanced car shampoo formulation containing high levels of Carnuba Wax.
- Perfect for gaining that just waxed finish and protection without having to perform separate cleaning operations.
- It is designed to deposit a wax and silicone film to protect paintwork and repel water, whilst at the same time promoting fast streak free drying.
- Leaves behind a high gloss polished look with water beading properties and dries faster than regular car shampoos enabling the car to be quickly polished thus speeding up commercial operations.

**Available in: 4x5L / 20L / 200L / 1000L**

### 64106 - Auto Shampoo

- Formulated for washing vehicles by hand. This versatile, body shop approved, highly concentrated shampoo quickly removes soil and traffic film from vehicles.
- Free rinsing leaving a streak free shining finish.
- Contains no additives or harsh materials, making it extremely safe for use on all types of vehicle exterior and extremely easy to use.

**Available in: 4x5L / 20L / 200L / 1000L**

### 64103 - Auto Interior Cleaner

- A highly versatile product which can be used throughout a vehicle interior on all water washable surfaces.
- Safe to use, pleasantly fragranced, fully biodegradable product ideal for dashboards, fabrics, velours, leather and head linings etc.

**Available in: 6x750ml / 4x5L**

### 64112 - Auto Interior Dressing

- Leaves plastic, leather, vinyl and wood trims looking like new.
- Will leave on the surface a superb non-sticky shine with high durability.
- High Parma violet fragrance level to leave behind a fantastic smelling vehicle.

**Available in: 6x750ml / 4x5L**

### 64108 - Auto Glass Cleaner

- A fast, versatile, no mess glass cleaner.
- Suitable for not only glass but also mirrors and laminate surfaces for that perfect optical finish.
- Economical in use with dilution up to 20:1.

**Available in: 4x5L / 20L**

### 64104 - Auto Scent Odour Neutraliser

- Odour neutraliser and re-odouriser which is specially formulated to mask malodours typically found in vehicles.
- Can be misted into the vehicle very economically leaving behind an exotic tropical fruit fragrance.

**Available in: 4x5L / 20L**

## Vehicle Cleaning Chemicals

### 64102 - Auto Alloy Wheel Cleaner

- This unique clinging formulation ensures that the complex acids and surfactant blends have maximum contact time on the surface being treated.
- It quickly removes brake dust and wheel tarnish associated with alloy wheels.
- Easy to apply and rinse off.

**Available in: 4x5L / 20L / 200L**

### 64107 - Auto Exterior Bumper Gel

- A high gloss, ready to use gel that is ideal for the renovation of exterior plastics, it is easy to apply with good economical coverage leaving behind a long life and waterproof finish.
- This body shop approved, non-greasy formulation lends itself to use at car shows or show rooms, as the product does not brush off onto clothing.

**Available in: 4x5L / 20L**

### 64098 - Auto Long Life Tyre Dressing

- A versatile long-life tyre treatment, formulated to restore a smooth original appearance to tyres and exterior plastics.
- Endurance will leave behind a water-resistant longer-lasting shine.
- The paint safe solvents will not damage new or freshly painted areas.
- New green formulation has made it workshop safe.

**Available in: 4x5L / 20L**

### 61014 - Krystal Screen Wash

- Highly concentrated, extremely economical screenwash, for all year round usage that can be diluted as high as 30:1.
- Stable in temperatures as low as -10°C.
- Provides excellent clarity and streak free removal of dirt bugs and tar.

**Available in: 4x5L / 20L**

## Specialist

### 61015 - Waterless Wash & Wax

- A no scratch formula which safely washes and waxes cars without water.
- Simply spray and wipe to achieve a freshly washed and waxed surface in just minutes.
- Eliminates the need for a hose and bucket.
- High lubricity formula which protects the surface against scratches as it cleans, whilst the advanced polymer chemistry leaves behind a glossy, water spot-free, synthetic wax barrier which lasts and protects for weeks.

**Available in: 6x500ml / 4x5L**

### 64110 - Auto Wax Rinse

- Highly concentrated wax additive which provides an invisible polymer coating to vehicles giving incredible shine and protection.
- Water will bead and roll off the vehicle surface.
- Dramatically reduces drying time after final rinse.
- Can be used by hand or automatic car wash systems.
- Extremely economical in use with dilution up to 800:1

**Available in: 4x5L / 20L**

### 61012 - Repel Screen Wash

- A concentrated formula which uses nano polymer technology to provide a hydrophobic (scared of water), scratch resistant coating on a vehicle windscreen. Water will literally be repelled from the windscreen giving unrivalled driving clarity.
- The nano polymer coating lowers the degree of re-deposition of dirt, dust and grime leaving the products detergency little work in removing soiling.
- To be diluted with the same economy as industry standard windscreen wash.

**Available in: 4x2.5L / 4x5L / 20L**

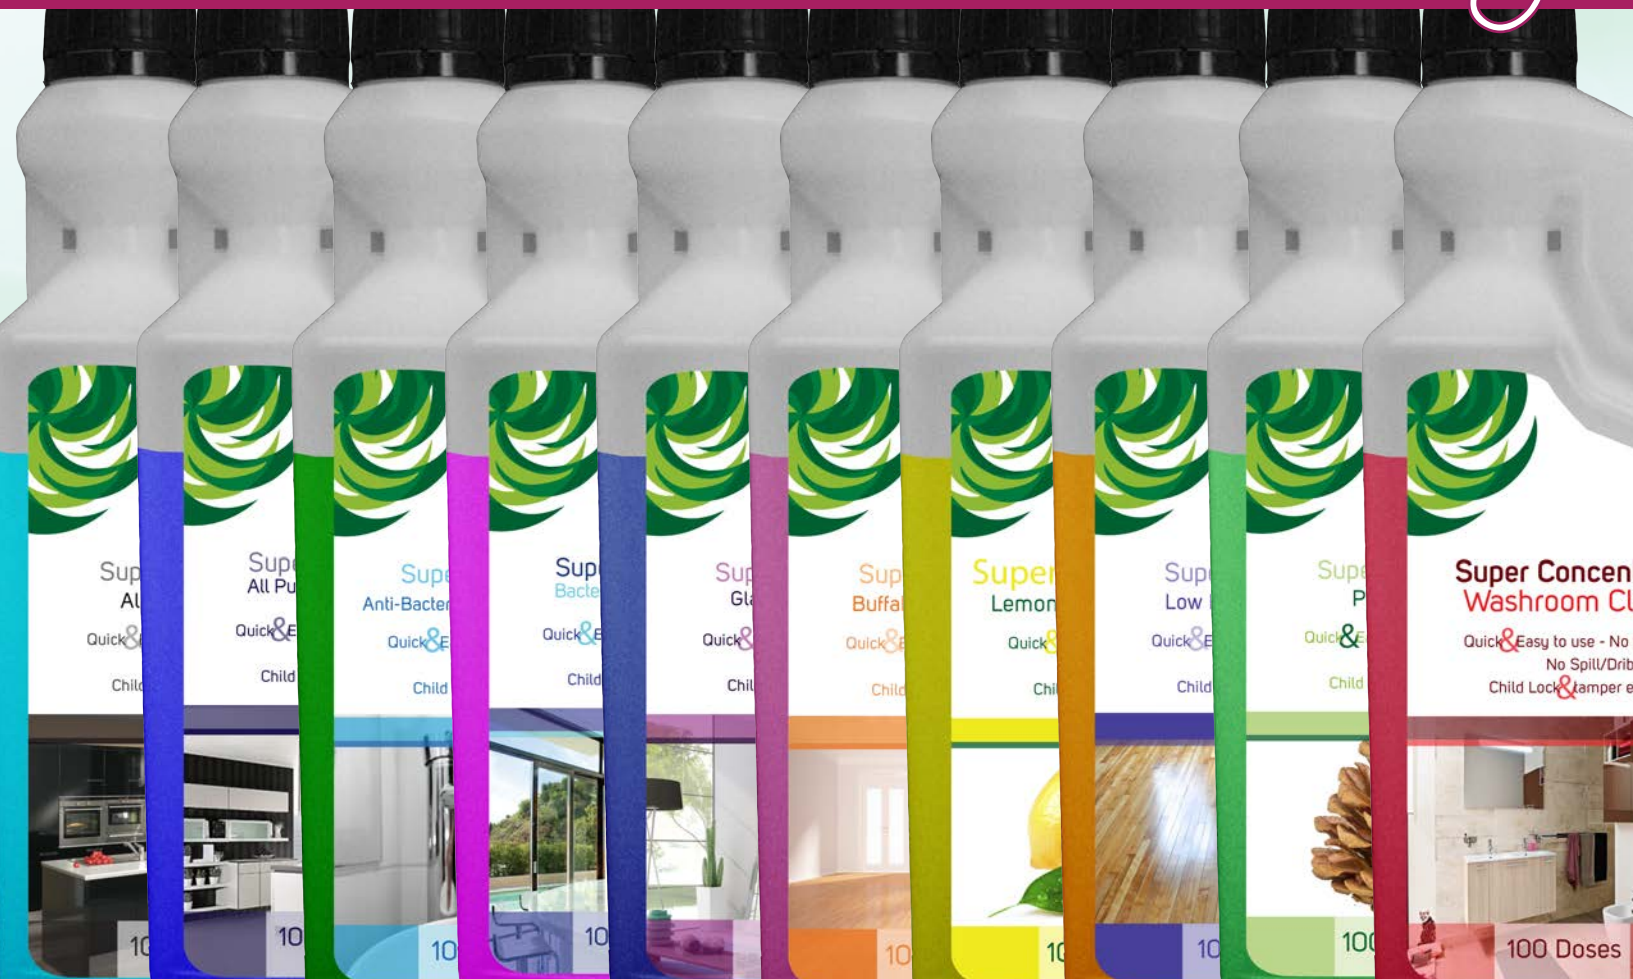

### 61013 - Repel Extreme Screen Wash

- Works in the same way as Repel but has been engineered to withstand extreme winter temperatures as low as -20°C.
- Repel winter also greatly reduces the clearing time of ice and snow from the windscreen.

**Available in: 4x2.5L / 4x5L / 20L**

# Chemical Dosing

# Chemical Dosing

## Super Concentrated Dosing Chemicals

**Anglian Chemicals** have created a range of innovative super concentrated chemical formulations and teamed them up with an equally innovative bottle/dosing mechanism.

The chemicals themselves have very high dilution rates (100 doses per 1L bottle) which helps cost conscious customers control each litre of product they require.

The bottles are overturning convention and introducing something more simple, more accurate and more effective than the old squeeze type dosing bottles. A simple turn of the bottle upside down sends the liquid into the dosing chamber leaving behind the correct dosage. All that remains is to pour out the liquid and dilute, taking advantage of the no spill and tamper evident safety features.

- Super concentrated chemicals
  - Very low cost in use
  - Quick and easy to use
  - No squeezing required
  - No spill / dribble design
  - Tamper evident top

## Super Concentrated Dosing Chemicals

### DOSY001 - Lemon Washing Up Liquid

- Dishwash detergent with a fresh lemon fragrance that produces rich, long lasting suds.
- Formulated for the rapid penetration, emulsification and dispersion of heavy grease and soiling.
- Streak free and sparkling results.

**Available in: 6x1L**

### DOSY002 - Anti bacterial Washing Up Liquid

- Dishwash detergent with long lasting foam perfect for dish washing by hand.
- Contains antibacterial agents to clean and sanitise cutlery, crockery and glass.
- Quickly emulsifies grease whilst being gentle on the hands.
- Streak free and sparkling results.

**Available in: 6x1L**

### DOSY003 - Washroom Cleaner

- Pleasantly perfumed concentrated all round washroom cleaner.
- Cleans, descales, sanitises and deodorises in one operation leaving behind a fresh, hygienic washroom environment.

**Available in: 6x1L**

### DOSY004 - All Purpose Cleaner

- Pleasantly fragranced all-round cleaner, designed for intensive soil removal on all water-washable surfaces.
- Makes the heaviest of jobs seem effortless as oil and grease emulsify on contact

**Available in: 6x1L**

### DOSY005 - Low Foam Floor Cleaner

- A daily no-rinse cleaner formulated with a neutral PH to ensure safe but efficient cleaning.
- Low foaming to ensure reduced labour times and perfect for use via scrubber driers.
- Pleasant fragrance.

**Available in: 6x1L**

### DOSY006 - Buffable Floor Maintainer

- A unique blend of detergents and waxes to assist in the maintenance of polished floors without any build up over time.
- Adds shine and durability to polished floors.

**Available in: 6x1L**

### DOSY007 - Rapide Kitchen Cleaner & Sanitiser

- BSEN1276 certified solution with a required contact time of only 30 seconds.
- Has been developed for use on all water washable hard surfaces.
- Rinse-free, non perfumed and non-tainting.

**Available in: 6x1L**

### DOSY008 - All Purpose Kitchen Degreaser

- Powerful alkaline detergent that will remove the heaviest of oils, grease and protein based soiling.
- Ideal for greasy floors, walls and worktop surfaces found in kitchens and food processing equipment.
- Free rinsing and perfume free.

**Available in: 6x1L**

### DOSY009 - Glass & Mirror Cleaner

- Innovative formula gives effective, streak-free removal of grease, dirt, and finger marks without the use of harsh chemicals.
- Ideal for use on glass, mirrors, stainless steel and all water washable surfaces.
- Free from abrasives, will not damage delicate surfaces.

**Available in: 6x1L**

### DOSY010- WipeOut Ultimate Disinfectant

- An extremely versatile product that cleans, degreases, deodorises and sanitises in one action.
- Manufacturers data complies with EN1276, EN1650, EN13623, EN14476

**Available in: 6x1L**

# Miscellaneous

## Specialised

### 61803 - Rust Remover

- Non-fuming, VOC free rust remover is extremely efficient at removing heavy rusting.
- This clinging formula has been produced to make rust removal effortless, no painful scrubbing or brushing is required, simply paint on and then rinse off after 20 minutes contact.
- Safe on stainless steel as well as the user; low skin irritant and non corrosive.

**Available in: 4x5L**

### 61340 - Graffiti Remover

- Heavy duty, fast acting, water-soluble formula which in most cases can be simply washed off with water and requires no agitation.
- Rapidly dissolves or breaks up all forms of graffiti, the strong citrus based solvent action works on felt tip, ball point, crayon, spray paint (cellulose, acrylic or polyurethane), floor paints and varnishes.

**Available in: 12x500ml**

### 13333P - Barrier Cream

- Effective protection against industrial solvents and greases.
- Protects against paint, resins, plastics, ink, tar, oil and grease which give rise to skin irritation and damage.

**Available in: 6x500ml**

### 61342 - Chewing Gum Remover

- Effective Chewing Gum Remover from surfaces including - Floor tiles, Wood, Vinyl, Carpets, upholstery and fabrics.
- Also can be used to remove sticky tape residue and black scuff marks from flooring.

**Available in: 6x500ml**

## Leisure

### 61302 - WipeOut Ultimate Disinfectant

- An extremely versatile product that combines efficient cleaning and degreasing with a wide spectrum of activity as a virucide, bactericide, fungicide and deodorant.
- When used at the recommended dilution it will remove a wide range of soilage including body fats and oils, which may harbour germs representing a potential health hazard.
- Manufacturers Data complies with EN1276, EN1650, EN13623, EN14476

**Available in: 6x750ml - Ready to use**  
**Available in: 4x5L / 20L - Concentrated**

### 61802 - Robust

- An excellent multi-purpose heavy duty descaling product with very unique properties.
- Extremely safe in use and ideal for pool and spa areas.
- 10 times more effective than citric or glycolic acid,
- 4 times more effective than phosphoric acid on limescale deposits
- 3 times more effective than phosphoric acid on calcium carbonate deposits.
- Contains a wetting agent that penetrates grease, dealing very well with body fats, soap scums and hair etc.
- Non-fuming, fully biodegradable, non-corrosive to skin and mild metals.
- Low foam formulation means safe and efficient use when machine cleaning.

**Available in: 6x750ml - Ready to use**  
**Available in: 4x5L / 20L - Concentrated**
