

Super Concentrated Dosing Chemicals

DOSY001 - Lemon Washing Up Liquid

- Dishwash detergent with a fresh lemon fragrance that produces rich, long lasting suds.
- Formulated for the rapid penetration, emulsification and dispersion of heavy grease and soiling.
- Streak free and sparkling results.

Available in: 6x1L

DOSY003 - Washroom Cleaner

- Pleasantly perfumed concentrated all round washroom cleaner.
- Cleans, descales, sanitises and deodorises in one operation leaving behind a fresh, hygienic washroom environment.

Available in: 6x1L

DOSY005 - Low Foam Floor Cleaner

- A daily no-rinse cleaner formulated with a neutral PH to ensure safe but efficient cleaning.
- Low foaming to ensure reduced labour times and perfect for use via scrubber driers.
- Pleasant fragrance.

Available in: 6x1L

DOSY007 - Rapide Kitchen Cleaner & Sanitiser

- BSEN1276 certified solution with a required contact time of only 30 seconds.
- Has been developed for use on all water washable hard surfaces.
- Rinse-free, non perfumed and non-tainting.

Available in: 6x1L

DOSY009 - Glass & Mirror Cleaner

- Innovative formula gives effective, streak-free removal of grease, dirt, and finger marks without the use of harsh chemicals.
- Ideal for use on glass, mirrors, stainless steel and all water washable surfaces.
- Free from abrasives, will not damage delicate surfaces.

Available in: 6x1L

Anlian Chemicals have created a range of innovative super concentrated chemical formulations and teamed them up with an equally innovative bottle/dosing mechanism.

The chemicals themselves have very high dilution rates (100 doses per 1L bottle) which helps cost conscious customers control each litre of product they require.

The bottles are overturning convention and introducing something more simple, more accurate and more effective than the old squeeze type dosing bottles. A simple turn of the bottle upside down sends the liquid into the dosing chamber leaving behind the correct dosage. All that remains is to pour out the liquid and dilute, taking advantage of the no spill and child lock/tamper evident safety features.

- Super concentrated chemicals
 - Very low cost in use
 - Quick and easy to use
 - No squeezing required
 - No spill / dribble design
 - Tamper evident top
